FREE NYS Unclaimed Funds Search

A representative from New York State Comptroller's Office of Unclaimed Funds (OUF) will be on hand to perform **free** unclaimed fund searches. People can search the OUF database to see if they have any unclaimed funds and learn how to file a claim. Staff from the Outreach Program also explain how to safeguard funds so that they are not turned over to the State as abandoned property.

Operation SAFE CHILD

Fulton County Sheriff 's Department will be providing FREE ID cards to all children.

Operation SAFE CHILD was created in July 2005 to raise awareness about child safety. The cards contain a child's name, biographical information (date of birth, gender, height, weight, hair color, eye color, etc.), and a fingerprint image of both index fingers. The card can be made in less than two minutes and can be easily carried in a wallet or pocketbook. Interested parents can choose to store the fingerprints, basic biographical information and photographs of children who are not missing -- information critical to expediting the return of a missing child. All children must be accompanied by a parent or guardian.
